15 May, 2017

Reflecting the evolution of our business, and development of new strategic initiatives, Gottex Asset Management (Suisse) SA has recently changed its name to **LumX Asset Management (Suisse) SA** ("LumX").

Innovation in Asset Management and Risk Services

Proprietary risk management approach focusing on risk factor exposure

Alternative risk premia Hedge funds Multi-asset Risk management services

With a history of innovation and bespoke client solutions, LumX has been a key player in alternative investment programs for 25 years. Our expertise is built on

- Highly structured and rigorous research and portfolio management processes
- A high level of fiduciary commitment
- Advanced infrastructure and technology, and
- Detailed position-level risk transparency across all asset classes provided by **LumRisk**, a separate LumX group subsidiary.

Our active management approach seeks to strike an optimal balance between the expertise and experience of our research team and systematic management techniques.

Our activities include:

- Discretionary management and advisory services on customised alternative and multi-asset investment programs and commingled funds
- Private client wealth management on traditional and multi-asset portfolios
- An independent managed account platform, **LumMap**, which provides strong corporate governance, segregation of assets, and enhanced transparency

Do not hesitate to contact us at investor.relations@lumx.com for further information.

Yours Sincerely,

LumX Asset Management (Suisse) SA
